

To Whom it may concern,

We Believe - Saint John inspires youth to fulfill their potential as agents of change with resources that create sustainable impact, empowering young people to find their spark and to ignite their passion about social causes that are important to them in order to help make the world a better place. By focusing on education, leadership, and empowerment through service, we enable young people to become active engaged citizens and help them to improve their leadership skills and improve their workforce readiness. We Believe - Saint John is a registered non-profit and a registered charity.

We are a youth focused registered non-profit / charity service-learning organization.

Our goal at We Believe - Saint John is:

- *We are an* expanding and diverse community of service-minded students and educators from around the Maritime provinces and the state of Maine to come together to take part in service learning that help make a positive change in our communities, both locally and globally.

We focus on:

- *Education (Social Impact Topics)* - Is a year-round free educational resource that helps students and teachers to learn, select, activate, and deliver service-learning projects both local and global in addition to empowering students to think about global issues that impact us..
- *Volunteering* - A one day celebration that brings students and educators together with renowned leaders, performers, and speakers to celebrate their service, and inspires them to continue their work in the year ahead. We Believe - Saint John - speakers and role models constructively and intentionally shine the spotlight on issues that young people care deeply about, including accessibility, homelessness, hunger, race, and equity, bullying and the environment. You cannot buy a ticket to We Believe - Saint John, you earn it through service.

On May 20, 2021, students, and educators from across the Maritime provinces and the state of Maine will come together at TD Station in Saint John, NB to celebrate their commitment to service and be empowered to make a difference. They will be celebrated by renowned local and global inspirational speakers and performers, and they will hear from their peers - students from around the maritime provinces and beyond who are making a difference in their local communities and around the world.

All contributions represent an irrevocable contribution to We Believe - Saint John and are not refundable. Any previous contributions made towards the WE Believe event in 2020 / 2021 are also nonrefundable and will be applied towards the rescheduled event.
